# **Investing for positive social impact**

Oikocredit is a social impact investor and worldwide cooperative with over four decades of experience in leading positive change through investments in financial inclusion, agriculture and renewable energy.

Guided by the principle of empowering low-income people to improve their quality of life, Oikocredit supports partners in Africa, Asia and Latin America through loans, investments and capacity building. Oikocredit is financed by individuals and institutions who want to be part of a global movement for social change. Our investments prioritise social impact while safeguarding the environment and generating fair financial returns.

We're a global organisation with local presence, able to respond to our partners' needs and strengthen them by offering more than financing.

### India – A partner cooperative providing more than just loans

Vaishadi Rahul Hingmire and her son sell flowers from a small shop. Vaishadi is a member of the Annapurna Mahila Cooperative Credit Society (Annapurna), an Oikocredit partner. Annapurna's microfinance programme is aimed at selfemployed people on low incomes. The cooperative believes that low-income households need more than just loans and offers a number of support services: such as communitybased insurance, daycare centres, school scholarships and health care services to their members at subsidised rates. Annapurna has been an Oikocredit partner since 2017.
