## Funding for loan groups in Assam, Manipur and West Bengal

UNACCO Financial Services Pvt Ltd was founded in 2009 and is based in Assam. It offers microfinance group loans for income-generating activities to women in the states of Assam, Manipur and West Bengal.

UNACCO uses group loan methodology. Each group consists of five women who live in the same village or town or run the same type of business. These women take out a loan together, and repay together.

UNACCO puts client protection high on its agenda: it checks whether clients have more than one debt, what their financial status is and how their families are composed. By doing so, it attempts to ensure that clients receive a loan which fits their situation.

UNACCO has been an Oikocredit partner since 2011.
