

Satya MicroCapital Limited

Income generation for financially excluded women in rural India

Satya MicroCapital Limited (Satya) is an MFI providing small loans to women who are excluded from mainstream financial services. Through its products, Satya aims to enhance livelihoods and promote a productive environment to enable income generation.

Satya's loans are used for a variety of purposes, with a focus on animal husbandry, trade and services. End-clients are typically smallholder farmers and others in rural areas of India. Loans are given using a joint and limited liability group lending model, or on an individual basis.

Satya was founded in 2016 and has been an Oikocredit partner since 2019.
